27. **RUNNING DETAILS**

The Event will be run in a clockwise direction on a course of 1km on a gravel surface.

Two (2) vehicles will be permitted on the course at any one time.

The minimum number of runs will be four (4) and a minimum of one (1) timed lap per run.

Note: ROLLING START – NO WHEEL SPIN OFF THE START LINE

Competitors will line up in numerical order and will move onto the course when signalled by the pit gate marshal and the start marshal will use a green flag or automatic lights to denote the start of the run.

A run is completed once the competitor has passes through the start/finish line. Vehicles are then to proceed immediately off the course. The maximum speed limit in the paddock area is 10 km/h.

28. Any additions and/or alterations to these Supplementary Regulations will be notified to all Drivers in Final Regulations or during the Drivers Briefing.

29. **SAFETY & APPAREL**

- All drivers shall wear a safety helmet, complying with Schedule D.
- If the car is equipped with a roll bar or roll cage, a safety harness complying with Schedule I must be worn whilst competing.
- Goggles or helmet visor complying with Schedule D must be worn during competition in all open cars and in closed cars to which no windscreen is fitted.
- All competitors are required to wear snug fitting clothes covering the body from neck to wrist to ankles and enclosed footwear. Clothing and footwear should be of a fire resistant nature.
- For further details, please refer to Schedule D of the Motorsport Australia Manual.

30. **VEHICLE ELIGIBILITY & SCRUTINY REQUIREMENTS**

Competitors will be required to self-scrutinise their competition vehicles and must comply Technical Appendix Schedule A & B of the Motorsport Australia General Requirements for Automobiles as specific in the Motorsport Australia Manual: Chief Scrutineer will conduct random checks on vehicle and apparel.

- A fire extinguisher to Motorsport Australia requirements and fitted within reach of the driver.
- A blue triangle, 150mm on each side mounted to indicate the battery location.
- A secondary method of securing the bonnet (except that registered production vehicles manufactured after 01.01.1973 may utilise the original unmodified manufacturers components for securing the bonnet, without the use of a secondary restraint mechanism).
- All loose objects are to be removed from the vehicle.
- The battery is to be firmly clamped and a cover fitted to the positive terminal.
- Vehicles that have been issued with a Motorsport Australia Logbook MUST present the Log Book at Registration and Scrutineering.

Competition numbers are to be positioned on the left side of vehicle and will be attached prior to the start of the Event.

Drivers and vehicles must be presented in a clean and tidy manner. Completely ready for the track including the driver's apparel and helmet.

Any vehicle found to be leaking oil or fluids whilst competing will be suspended from the event until the Chief Scrutineer/Clerk of Course is satisfied that action has been taken to rectify the leak. Should there be a re-occurrence of the leak then the vehicle will be excluded from the remainder of the Event.

All vehicles must be fitted with tow hooks or similar both front and rear to allow for the speedy recovery of a vehicle from a "sand trap" or remove from the circuit in case of a mechanical failure.

Whilst not mandatory in all classes it is strongly recommended that all open vehicles be fitted with approved roll over protection in compliance with Schedule J of the Motorsport Australia Manual.

Vehicles not road registered:

- be fitted with a scatter shield if required under the provision of Schedule M,
- not be fitted with any type of steering column locking device
- be fitted with a strap or suitable cross member which will prevent the tail shaft falling to the ground due the failure of any component.

All vehicles:

- Reconditioned tyres may be permitted at the discretion of the Scrutineers.
- Tubeless tyres must be fitted to optimum rim size only.
- Must be fitted with front and rear towing hooks.
- Fuel must be in accordance with Schedule G of the Motorsport Australia Manual.
- All cars must be adequately muffled.

Any breaches of these Supplementary Regulations will be dealt with in the same manner as breaches of all other regulations pertaining to the Event.

At the sole discretion of the Clerk of the Course, a Driver whose vehicle has broken down may use a replacement vehicle. The replacement vehicle must have been scrutineered, and preferably be in the same class and type as the original vehicle. Where the original vehicle has recorded a time and the scrutineered replacement is not in the same class and type as the original vehicle, the replacement vehicle will not be eligible for prizes and/or trophies.
